

British NeuroEndoscopy Society (BNES) meeting

Thursday 23rd May 2024

09:00	Registration
09:30	Introduction to BNES
09:45	Transnasal approach to pituitary tumours, craniopharyngiomas & meningiomas
10:00	Endoscopy for orbital pathology
10:15	Transorbital approaches
10:30	Paediatric endoscopic skull base surgery
10:45	Abstract session 1 Skull Base
10:50	A1-1
10:55	A1-2
11:00	A1-3
11:05	A1-4
11:10	A1-5
11:15	A1-6
11:20	A1-7
11:25	A1-8
11:30	Break
11:45	Endoscopy for intra- and paraventricular pathology
12:00	Third ventricular lesions including pineal and brainstem tumours
12:15	Fetoscopic neurosurgery
12:30	Abstract session 2 Ventricular and Fetal
12:35	A2-1
12:40	A2-2
12:45	A2-3
12:50	A2-4
12:55	A2-5
13:00	A2-6
13:05	A2-7
13:10	A2-8
13:15	A2-9
13:20	A2-10
13:30	Lunch

14:30	EANS CSF section and neuro-endoscopy
14:45	WFNS and neuro-endoscopy
15:00	IFNE past, present and future
15:15	Endoscopy in Neurosurgery in China
15:30	Spinal endoscopy history, indications and technique
15:45	Unilateral biportal endoscopy in spine surgery
16:00	Tubular retractors in spinal surgery
16:15	Abstract session 3 Spine
16:20	A3-1
16:25	A3-2
16:30	A3-3
16:35	A3-4
16:40	A3-5
16:45	A3-6
16:50	A3-7
16:55	A3-8
17:00	Discussion and close of day
