About

Endoscopy in Neurosurgery (EiN) is a course aimed at trainees and consultants wishing to embark on a neuro-endoscopic career or to advance their neuro-endoscopic skills.

The course format consists of lectures, video sessions, demonstrations, hands-on sessions (including cadaveric) and discussion.

The course aims to cover all aspects of cranial (days 1 & 2) and spinal (day 3) endoscopy / minimally invasive neurosurgery as well as fetoscopic neurosurgery.

Terms and Conditions

Your place on the course will only be confirmed once we have received a complete registration form and payment.

You are entitled to a full refund if you choose to cancel your registration no later than 8 weeks prior to the event. If the cancellation period is between 8 and 2 weeks prior to the event, we reserve the right to refund only half the fee. Thereafter we reserve the right to charge the full amount.

Although every effort will be made to ensure that the course runs as advertised, we reserve the right to change the content, faculty and location. We reserve the right to cancel or reschedule the course at any time but will provide appropriate notice to the delegates. Should delegates not be able to attend at the rescheduled date we will refund the full registration fee but will not be liable for any other losses incurred by the delegates.

By returning your fully completed form, you agree to your personal information being recorded for the purposes of this event and to receive notices for future events. You can opt out at any time.
